LOGO LIBRARY

This logo book contains all logos currently available for embroidery on our leather interiors and is deemed accurate at the time of printing. Since new logos are added every week, it's possible that not all available logos will be pictured here.

At the top of each logo are symbols which provide specific information about the logo.

- OPEN COLOR: The logo may be embroidered in ANY of the colors shown on our embroidery thread chart. Must specify color when ordering.
- ◆ STANDARD COLOR: The logo will only be embroidered in the colors fixed for this logo. Standard Color logos CANNOT be changed. You will find the thread colors on Standard Color logos listed directly beneath the logo.
-  ROYALTY: Certain logos are the property of the corporation or business they represent and a fee will be assessed for their use.

Contact our Customer Department for logo embroidery fees. Logos will be embroidered on either both front seat headrests or both front seat backs. Logos cannot be placed on door panels.

Colors on the thread chart are the only thread colors available. If your logo requires a specific color and an exact match is unavailable, the closest color on the chart will be used.

CUSTOM LOGOS

*STOCK FONTS -- Six fonts are available (see FONTS page) to create custom text-only logos. They can be added at the time of order.

*YOUR ARTWORK -- Camera-Ready artwork is required. Ideally, artwork should be emailed in .jpg format. If your original is clean enough it can also be faxed. If your logo requires specific colors they must either be indicated or the artwork must be in the colors you require, otherwise a single color logo will be created. A one-time fee of \$85 will be charged for digitizing the logo and will require 3-5 business days to process.

EMAIL to: logos@katzkin.com

*CREATING ARTWORK -- If artwork is not available or you do not have a logo, our Art Dept. can create one for you. Please provide as much detailed information as possible. A fee of \$100 will be assessed (in addition to fee for digitizing). Please allow 2-3 business days for creating original art.

* Katzkin Leather reserves the right to alter or discontinue thread colors, logos, or stock fonts without notification. Always consult with a Customer Service Representative before ordering.
